

The Newfoundland and Labrador Association for Community Living Hotel Respite Program Participant Application

The Newfoundland and Labrador Association for Community Living (NLACL) is very excited to announce the relaunch of our Hotel Respite Program. The Hotel Respite Program enables parents and caregivers of a person with an intellectual disability the opportunity to have a “place to get away” and allow themselves a chance to rest and rejuvenate recharge and relax.

Being a caregiver of someone with a disability is a role that families often devote their entire lives to. However, due to financial constraints and limited availability of support care, families rarely get the opportunity to indulge in something like a night or two at a hotel **just for themselves**. Now with the NLACL Hotel Respite Program, you can!

Currently, 20+ hotels have agreed to help provide an affordable night off for the caretakers of individuals with disabilities. Here’s how it works:

1. The NLACL member will contact NLACL and request a booking
2. NLACL will connect with the hotel to book a room on behalf of the NLACL member
3. The NLACL member will be forwarded any information they need
4. The NLACL member will enjoy their stay at your hotel!

To participate in the Hotel Respite Program, forward the following to nlacl@nlacl.ca:

- The discount offered per night at the participating hotel
- The location of the hotel & an updated image of its exterior
- The contact information of the person NLACL will connect with when booking the room
- Any additional information that our clients should be aware of when staying at the hotel
